

OLD people need *Scott's Emulsion* because age has enfeebled their blood, worn out their tissues, diminished their nerve power and impaired their general health.

*Scott's Emulsion* enriches the blood, renews the tissues, restores nerve power and builds up the general health. It enables old people to throw off colds, coughs, rheumatism and all winter diseases.

*Scott's Emulsion* makes thin babies fat, pale children rosy, delicate mothers strong. It is the most nourishing food in the world.
